

ADT Is Continuing to Grow! Hiring Sales Reps Today.

\$1,500 Sign-On Bonus!

As an ADT Sales Representative, you'll be responsible for leveraging our innovative home automation and security solutions to build long lasting relationships with customers. We offer best in class training to ensure you are set up for success after your first month.

Now is a particularly exciting time to join the ADT team thanks to our latest tech partnerships. And as these partnerships grow, the diversity and intelligence of our systems will continue to grow. Together, we're going to help create the future of smart security and home automation and we want you to join us.

Interested in being a part of the growth? Keep reading.

So, who's right for the job?

A go-getter, tech savvy individual driven to succeed. Someone who connects with people and enjoys expanding their network. You'll use your strong communication and selling skills to present innovative security and smart home solutions to customers, overcome obstacles and exceed sales goals. This is your chance to join the leading security and home automation company and grow with us.

Do you...

- Have strong people skills and a knack for problem solving?
- Enjoy finding solutions to make people's lives easier?
- Take pleasure in connecting with others and expanding your network?
- Enjoy closing sales knowing you help our customers find the best solutions that fit their needs?
- Have passion about learning the latest technology in the marketplace, including smart home automation?
- Prioritize your time well?
- Have the ability to maintain customer focus while troubleshooting and solving technical issues?

What's in it for you:

- Eligible for \$1,500 Sign-On Bonus after 30 days
- Guaranteed Paid Training
- Tuition Reimbursement
- Best-in-class sales training
- Career growth opportunities
- Unlimited earning potential

Must-haves:

- High school diploma or equivalent
- Valid driver's license and a clean driving record
- Ability to work flexible hours to accommodate our customers' needs
