OFF DUTY OFFICER (ODO) SECURITY POSITION

.....

We have work all over the LA area.

In addition, we are looking for some ODO's who are willing to work Movie Premieres in Hollywood, black suit attire, approximately 5 to 6 times per month.

Security Industry Specialists, Inc. (SIS) provides security solutions to some of the most recognized companies and brands in the world. We deliver services that consistently exceed those of our peers. We accomplish this through innovation, constant process improvement, and through an uncompromising commitment to hiring, retaining and rewarding the best talent available.

The Off Duty Officer (ODO) provides a safe and secure environment for the client. SIS personally designs a comprehensive plan to ensure that the client has the freedom to work, travel and conduct their lives without distractions. The focus of the ODO is on advanced planning, threat assessment and problem solving specialized in client management. Management can be implemented through one on one security protection, residential protection and/or elaborate tracking or monitoring system. The ODO team is chosen from a cross section of Federal, State, and local law enforcement to provide security services ranging from Fortune 500 companies to entertainment industry executives, major special events, and any other type of venue requiring a secure presence.
